## Items for Resolution and Reference Material

### 1. Approval of Appropriation of Retained Earnings

The Company has established the dividend policy by taking into consideration profit sharing with shareholders while comprehensively considering the maintenance of its capital base and the investment for growth, aiming for a dividend payout ratio of 30% of profit attributable to owners of parent, with an annual dividend of 40.00 yen per share as the minimum amount. Although Profit attributable to owners of parent for the current fiscal year turned to loss, after comprehensively taking into account the current financial situation of the Company, including the liquidity situation on hand and the outlook for the next fiscal year and beyond, the Company proposes a year-end dividend of 40.00 yen per share, as per the forecast announced in May 2024.

In addition, for the purpose of ensuring flexibility in capital policy, the Company proposes to appropriate a part of general reserve to the retained earnings brought forward as follows:

#### 1. Items relating to fiscal year-end dividends

##### (1) Type of dividend

Cash

##### (2) Dividend amount to be allocated

Per share of common stock: ¥ 40.00

Total: ¥ 9,667,123,040

##### (3) Effective date of dividends from retained earnings

June 30, 2025

#### 2 . Other matters relating to the appropriation of surplus funds

##### (1) Item and amount of surplus to be reduced      General reserve

¥ 10,000,000,000

##### (2) Item and amount of surplus to be increased      Retained earnings carried forward

¥ 10,000,000,000

## **2. Reduction of Capital Reserve**

To ensure the agility and flexibility of future capital policies, the Company proposes to reduce the amount of capital reserve and transfer it to other capital surplus in accordance with Article 448, Paragraph 1 of the Companies Act.

### **Details of Capital Reserve Reduction**

#### **(1) Purpose of the reduction in the amount of the capital reserve**

The capital reserve of 25,952,788,440 yen will be deducted, and the same amount will be transferred to other capital surplus.

#### **(2) Date on which the reduction in the amount of legal capital surplus becomes effective** August 31, 2025

### 3. Appointment of 8 Directors

At the conclusion of the 129th Ordinary General Shareholders' Meeting, the tenure of office of all 9 directors will expire. This proposal requests the appointment of 8 Directors

- Notes: 1. There is no particular interest between any of the candidates and the Company. Ms. Miku Hirano concurrently serves as the President and CEO of Cinnamon Co.,Ltd there are commissioned transactions between our company and Cinnamon Co.,Ltd. for services provided by the latter. However, the Company judges that this will not impact her independence as the amount for outsourcing services is negligible.
2. The Company entered into agreements with Mr. Masayuki Matsushima, Ms. Noriko Yao, Mr. Shinjiro Mishima and Ms. Miku Hirano to limit the liability for damages stipulated in Article 423, Paragraph 1 of the Companies Act pursuant to the Articles of Association of the Company so that the Outside Directors can perform their expected duties sufficiently. The maximum amount of liability for damages under the relevant agreement is the minimum amount of liability set forth in the laws and regulations. If the nominations of these candidates are approved, the Company will continue these agreements with them.
3. Summary of the Contract Regarding Liability Insurance for Directors and Officers  
The Company has concluded a Directors and Officers liability insurance agreement with an insurance company in accordance with Article 430-3, paragraph (1) of the Companies Act, and the agreement covers legally required compensation for damages and lawsuit costs borne by the insured person. The respective candidates are included as insured persons in the agreement as the Company's Directors, and if reappointed under this proposal, they will continue to be insured persons in the agreement. The agreement is scheduled to be renewed with the same terms and conditions at the next renewal.

## Skill selection rationale

skills	rationales
Corporate management	To achieve goals of the medium-term business plan (BSP 2025) and 2040 Vision in line with the Group purpose of "Enhancing planetary health," the Group requires directors experienced in establishing clear strategies for sustained growth and higher corporate value even in a turbulent business environment.
Technology / Project management / IT	The Group requires directors with a high level of knowledge and expertise in our main businesses in order to pursue, manage, and oversee growth strategies for sustained growth and greater corporate value. Directors must also be highly knowledgeable and experienced in the five business areas of energy transition, high-performance functional materials, circular economy, healthcare and life science and industrial and urban infrastructure that will be essential in social issues we must begin to address to fulfill our purpose of "Enhancing planetary health."
Global	Implementing growth strategies and managing and supervising progress toward sustainable Group growth and higher corporate value calls for directors with experience in overseas business management and extensive knowledge of and familiarity with everyday life, culture, business environments, and so on outside of Japan.
HR / Talent development / Employee relations	JGC Group employees are required to possess advanced technical capabilities and expertise, an appreciation of different cultures and diversity in order to work with others of many nationalities, and a mental attitude that helps us make the most of our organizational strengths. To this end, personnel management must be established that ensures peak employee performance, and the Group requires directors with solid expertise and experience in human resources management or development, including promotion of diversity.
Finance / Accounting/ Structured finance	Beyond ensuring accurate financial reporting, the directors required by the Group must have reliable expertise and experience in finance, accounting and structured finance, as needed to build a strong financial foundation and to formulate financial strategies both for growth investments (including M&As) aimed at sustainable gains in corporate value and for higher shareholder return.
Legal / Risk management	A suitable governance system is fundamental to sustainable growth in corporate value. Moreover, to continue enhancing Board oversight effectiveness, the Group requires directors with solid expertise and experience in corporate governance, risk management, and compliance.
