# CONTENTS

- Results for H1 FY2025
- Forecasts for FY2025
- Appendix

# Results for H1 FY2025

Enhancing planetary health

# Highlights

---

- Favorable performance in Total Engineering supported by strong execution of major large-scale projects both domestic and overseas.
- Functional Materials Manufacturing maintained stable performance.
- Upward revision to full-year forecast driven by margin improvement of Total Engineering.

# Reference (Historical data chart)

【Unit: Billions of Yen】

## Net sales

## Gross profit

## Operating profit/loss

## Ordinary profit

## Profit/loss attributable to owners of parent

## New Contracts (Total Engineering)

# Action to enhancing corporate value

– Implement management that is conscious of cost of capital and stock price –

Updated on 11 Nov, 2025

## Assessment of current conditions

- Stock Price and Valuation: Following FY2024 results, P/B ratio has been fluctuating between 0.7 and 1.0.
- Return on capital: Due to a decline in the profitability of several on-going projects in the total engineering business, FY2025 ROE is expected to be around 7%. This is below the cost of equity, which is estimated to be between 8% and 10%.
- Growth: Advancing growth strategy investments and creating new business opportunities through alliances and partnerships.

## Policies and targets

- Medium-Term Business Plan BSP 2025 (Final year: FY2025)
  - Three key strategies
    - Transformation of EPC operations
    - Expansion of manufacturing business for high-performance functional materials
    - Establishment of future engines of growth
  - Maintaining sound finances
  - Disciplined growth strategy investment
  - Payout ratio of about 30% (minimum dividend per share: 40 yen), flexible stance on share buyback
  - ROE of 10% as a FY2025 financial targets

## Initiatives, time frame

- Strong execution of BSP 2025
- Profitability improvement and stabilization through restructuring of the execution system in the total engineering business.
- Entering execution phase for growth strategy investments
- Dividends in line with shareholder return policy, and consideration of share buybacks based on business performance and cash flow conditions

# Cautionary Statement

This presentation may contain forward-looking statements that reflect JGC's plans and expectations.

Such statements are based on currently available information and current assumptions of future events which may not prove to be accurate. Such statements are also subject to various risks and uncertainties that could cause actual results to differ materially from those forward-looking statements.

JGC Holdings Corporation undertakes no obligation to update any forward-looking statements after the date of this presentation. These potential risks and uncertainties include, but are not limited to:

- changes in general economic conditions, including foreign currency exchange rates, interest rates and other factors that could affect our profitability
- changes in government regulations or tax laws in jurisdictions where we conduct business
