Changes in Directors, Executive Officers and Organization

JGC Corporation today announced the following changes to directors, executive officers and organization in accordance with a decision taken at a meeting of the board of directors convened on February 13, 2019. The appointment of directors will become effective as of late June 2019, following the 123rd general shareholder's meeting.

As announced on November 8, 2018, a review is now underway toward reforming the group management structure to a holding company structure, with plans to make this change effective as of October 1, 2019. The new structure of new directors and executive officers will be announced as soon as it is decided.
